10

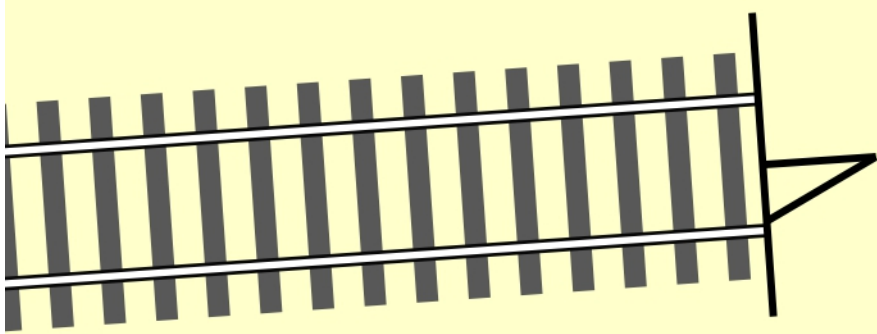

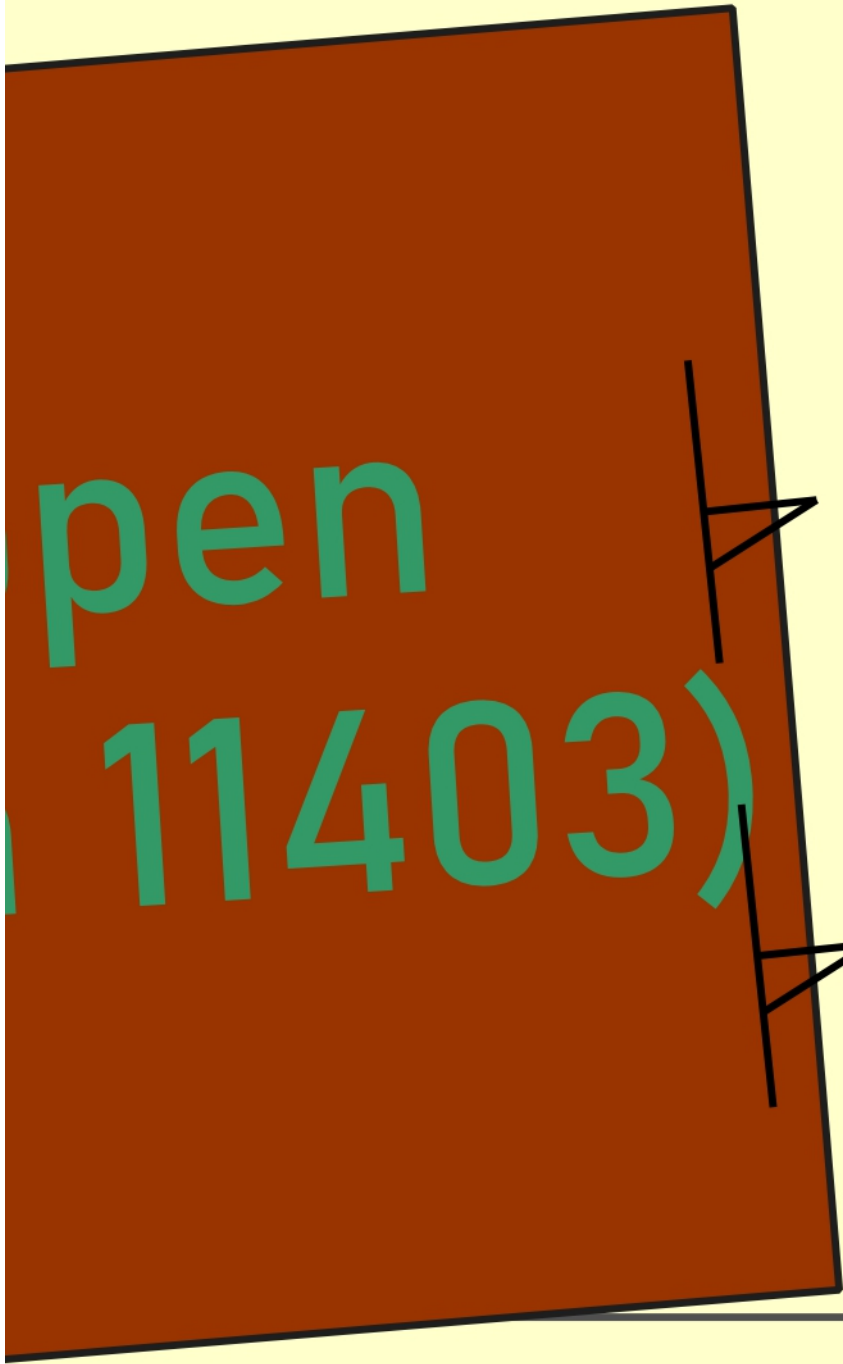

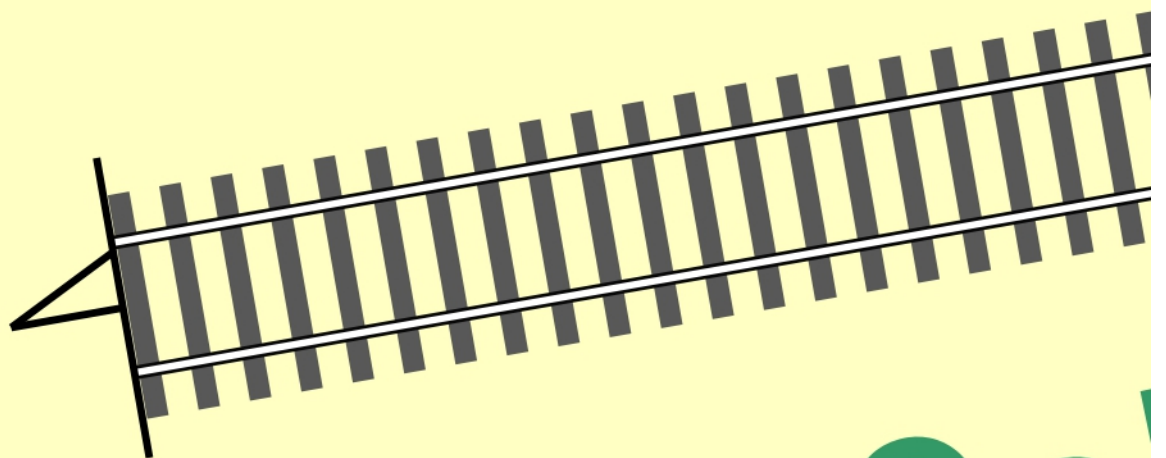

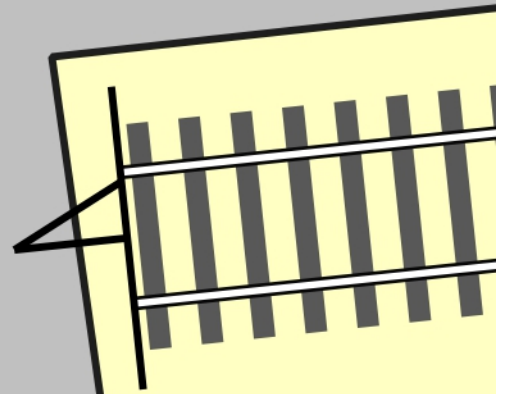

The image features a stylized illustration of a railway yard. The background is a light yellow color with a grid pattern of thin black lines. In the foreground, there are several sets of railway tracks represented by parallel white lines and dark grey vertical bars. A large, tilted brown rectangular sign is positioned in the center-right of the image. The sign contains the text "Lokschup" and "(Auhagen" in a bold, teal-colored font. The text is partially cut off on the right side.
